

Council Confirms Decision On Regional Library

At the regular meeting of Town Council held on Thursday, February 11, a previous decision to refrain from joining the Yellowhead Regional Library was confirmed.

Discussion on the library topic was reopened following a meeting between M.L.A. Ralph Jespersen and some members of the council earlier in the week. At its previous meeting Council had expressed satisfaction with the present library, and voted against joining the regional organization.

Mr. Jespersen outlined benefits of the regional plan at the luncheon meeting and expressed surprise at the town's refusal to enter the agreement. He asked that the matter be re-examined at the next meeting of Council.

Councillor Bob Mayhew reviewed the discussion with Mr. Jespersen for the benefit of those unable to attend the earlier meeting and a lively and lengthy discussion followed.

Benefits of the regional scheme covered in the discussion included a yearly saving of between two and three thousand dollars to the town, a larger supply of books (including seldom used reference books) and the services of a professional librarian serving the Counties of Wetaskiwin, Barrhead, Leduc, Lac Ste. Anne and Parkland.

Members of Council questioned the reason for non-acceptance of the scheme throughout the province although allowed by the legislature by act in 1948 or '49. Only one other regional library is in operation.

The suggestion that Drayton Valley might lose its annual provincial library grant by refusing to join reversed the attitude of some members who appeared to be looking on the scheme with slightly more favor.

COUNCIL BRIEFS

At its regular meeting on Thursday, February 11th Town Council discussed in detail with Town Planner, Wayne Gordon, the residential development requirements of the town.

Councillor Mayhew, Chairman of the Development Board, suggested the opening of a subdivision containing both R1A and R1B classifications. The 1A and 1B classifications differ only in the floor area of homes and lot sizes.

In advocating this type of development, he stated that it should not detract from the high standard of development intended. Mr. Gordon said he could not see any objections to such a proposal.

Mr. Gordon also reviewed land locations when the next subdivision development might take place. Discussion by the planner and council indicated that the logical way to continue orderly development of the community would be to the south-west, the NE 8-45-7-W5, owned by Mr. H. Deby.

Development in this direction would increase use of the sewage lagoon in the SW corner of town and help relieve the situation in the north lagoon which has almost reached capacity.

Council authorized the Development Chairman and Secretary-Treasurer to approach Mr. Deby to determine his feelings regarding sub-division of the property.

The Secretary-Treasurer advised Council that the transaction to purchase the Wood property had not been finalized yet. Arrangements were completed some time ago to purchase most of the quarter section from Mr. Art Woods to provide additional parking area at West Valley Park and for future camping and trailer facilities.

It was noted that the survey linen had not yet been received and consequently processing of documents was halted. Mr. Gordon volunteered to contact the surveyors and attempt to get the linen in town hands as soon as possible.

Cont. on Page 2

Agriculture Minister H. A. Olson, shown here examining a research plot of wheat, has officially proclaimed March as "Good Seed Month" in Canada.

March Declared Good Seed Month

OTTAWA -- Agriculture Minister H. A. (Bud) Olson recently declared March Good Seed Month. In making the declaration, he urged Canadian farmers to carefully study the merits and economics involved in using pedigreed seed.

"Research scientists are developing new and improved varieties of almost every crop grown in Canada, and these are available to farmers first as pedigreed seed," Mr. Olson said.

"Because these varieties have attractive new features such as increased yield, improved quality or better disease resistance, they offer farmers a bigger profit margin."

Tuition Plan Subject for Area Meetings

The tuition agreement with Yellowhead School Division, to enable high school students in the north-west corner of Parkland County to attend school in Evansburg, is the topic for a series of meetings being held throughout the western part of the county.

The meetings, called by Parkland School Committee, are intended to provide information about the school and the agreement. Officials from both school jurisdictions will be present at the meetings to discuss the proposal.

A meeting was held in the Entwistle School Tuesday evening and will be followed on Thursday, February 18th with another in the Seba Beach School. On Monday, February 22nd, Tomahawk School will be the meeting site, followed by a meeting on February 24th in the Moon Lake Hall.

All meetings start at 8:00 p.m. and all interested persons are invited to attend.

Rifle Accident Injures Boy

Fourteen year-old Lyle Van Loosen, son of Mr. and Mrs. Ed Van Loosen of Buck Creek was reported Monday to be in critical condition in the Royal Alexandra Hospital in Edmonton following a shooting accident Tuesday, February 9th.

His .22 rifle discharged accidentally when he slipped going down a hill and the slug passed through his body and lungs. He was rushed to Drayton Valley Hospital and from there to the Royal Alex where he was operated on Friday.

margin.

"Even years after a new variety has been introduced and it becomes available through commercial channels, studies indicate that farmers can make more money by buying and planting pedigreed seed," the Minister said.

"For example, a study of spring wheat conducted in Winnipeg compared certified seed with ordinary seed taken from farmers' drill boxes.

"There was a difference in yield and quality worth well over \$1,000 per 100 acres," Mr. Olson said.

"Our Canadian seed growers have established an enviable reputation in world markets."

"This year Canadian seed growers sold more forage seed under the O.E.C.D. (Organization for Economic Co-operation and Development) plan than any other member nation."

"The demand for our seed was so strong that acreage under the O.E.C.D. plan jumped from 15,000 in 1969 to 25,000 in 1970."

"Obviously, then, farmers in other countries have found our Canadian standards and seed to be of the highest quality."

"If farmers in other countries have found our Canadian seed to be so valuable, it would seem logical that Canadian farmers take advantage of this expertise by using pedigreed seed in their crop production programs," Mr. Olson said.

Canada Department of Agriculture inspection during the growing season and again after processing ensures that seed is true to variety and meets our standards for purity and germination.

On the scoreboard the FMHS Warriors were Western Conference Champions for the second successive year but on the official scoresheet ended the season deadlocked with Concordia College. There were unfortunate official errors on numerous individuals parts and thus a league decision will be made this Thursday at the monthly NCHSAA meeting in Edmonton.

Both schools finished the season with identical 6-2 records and thus the conference to be determined by their home and home series. If Concordia protest is upheld the teams would be deadlocked. Under normal circumstances further rulings would be brought into play to decide the championship but it is likely that both clubs will share the honors this season and both schools engraved on the Hudson Bay 300th Anniversary trophy.

Basketball-wise the large crowd on hand saw a great and tense contest between these two competitive clubs. The local Drayton team moved ahead 16-14 at the quarter with some deadly and high percentage shooting.

The second and third quarters were saw-off affairs with Concordia outscoring the Warriors 11-4 in the second and the Warriors outscoring the Concordia five 11 to 5 in the third. The second half was also a saw-off as both clubs hit for 28 points.

On the scoreboard Concordia came out on top 53-48 but on the scoresheet 53-46 as Larry

Stan Oulton

'Action, Not Talk, Will Beat Pollution'

Albertans hopefully will be willing to make the sacrifices necessary and pay the costs for a clean environment, a Social Credit MLA said Friday.

Ralph Jespersen of Stony Plain said he hoped there would be more response than just "crying out; Stop pollution, stop industries from polluting, stop cities from polluting."

He told the legislature the creation of a department of the environment was timely and demands for a clean environment are justified.

However, he said as he moved acceptance of the speech from the throne and opened the speech debate in the legislature, it could mean, for example, farmers faced with more control of weeds

and pests.

Industry is generally becoming aware of and is trying to do its part in maintaining cleaner air, purer water and to reclaim land, he said.

The Social MLA told the legislature he favors initiation of industrial incentives at the local level and two communities, Stony Plain and Olds, are planning to start local commercial corporations.

"The government should encourage local initiative," he said.

At times there have been misrepresentations that the province is retarding industrial development, but he said in his own predominantly agricultural constituency the assessment base is now 74 per cent industrial.

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA
WEDNESDAY, FEBRUARY 17, 1971

Warriors, Concordia Game Protested

Mattoon's last second basket was not recorded by the official scorer in the excitement.

The Warriors had defeated Concordia 60-53 in Edmonton early this season thus necessitating an 8 point victory for Concordia in the return match.

Numerous players on both sides played great basketball in one of the most exciting games played in the Drayton High School and brought to mind to many the great tournament finals of two years ago between the Warriors and St. Francis Xavier Edmonton.

For Concordia, center Stan Stampf was efficient and deadly as he led both clubs with a spectacular 27 point performance.

For the Warriors Larry Mattoon shot 44% from the field and added 3 points from the foul line for an excellent 21 point offensive evening besides playing well defensively. Also playing outstandingly were Mel Othe, Hugh Zepprichk and Randy Willie for Concordia and Roger Hutchinson, Larry Wall, Gerald Dusterhoft and Stan Oulton for the Warriors.

Thoughts of the conference now leave the Warriors mind as they prepare for the up and coming regional championships in Edson this Saturday as they go after their third victory. Tonight the Warriors will host the Whitecourt team in a single game. In this game the Warrior coach will do a great deal of experimenting and numerous rookies and second stringers will see a lot of action.

It is felt that Gerald Dusterhoft has good potential as a center and will get some work there. Other Warriors who have been off their game of late will also be given playing time to shake off their individual slumps.

Saturday the Warriors and Warriorettes head off to Edson with a spectator bus full of support.

F.G.A. Elects New Officers

Mr. Rusty Kirkup was named the new president of the Pembina Oilfield Fish and Game Association at the annual meeting held recently.

Also elected to the executive were: Vice-President, Michael Karach; Secretary-Treasurer, Mrs. Vera Kirkup; Big Game Chairman, Ken James; Bird Chairman, Alec Mischuk; Membership, Joe Bartek; Hunter Training, James Struthers; and Publicity, Mrs. Angela Sowada.

Next regular meeting of the association will be held in the Goliad Hall at 8:00 p.m. on Thursday, February 25th.

Any hunter training instructors interested in updating are advised that Mr. Struthers will have all the information available at the meeting.

2014.18.4A

REBELS WIDEN LEAGUE LEAD

BY DOUG BARNES

Thursday, February 11, the Rebels beat the Wetaskiwin Colonels in a wild scoring game at the Centennial arena. They were led by three goal performances by Jim Feeney and Sam Belcourt. Terry McGowan and Ray LaPointe collected two apiece with a single by Doug Hall. Final score, Rebels 11, Colonels 8. Only five penalties were called in the game, two to Drayton Valley and three to Wetaskiwin.

Saturday, February 13th, the Stettler Imperials were hosted by the Drayton Valley Rebels. The Rebels won out in a very close scoring game 6 to 4. The Rebels were led by two goal performances by Ray LaPointe and Henry Hodgson. Single goals going to Ron Hemmingway and Frank Novosel. 13 penalties were handed out, six to Drayton Valley and seven to Stettler.

Sunday, February 14th, the Rebels travelled to Stettler and played another high scoring game, 17 goals in all. The Rebels won 11 to 6. Henry Hodgson led the Rebels in scoring 4 goals. Sam Belcourt collected 3, with singles going to Terry McGowan, Ray LaPointe, Dan Davies and Jim Feeney. Sam Belcourt and Ray LaPointe also picked up 4 assists each. Ten penalties were handed out, 6 to Stettler and four to Drayton Valley.

The Rebels now have 40 points winning 20 games with 8 losses. Camrose has 36 points on 18 wins and 10 losses, leaving both Camrose and Drayton Valley two games to play. Camrose play Ft. Saskatchewan Tuesday night. If they lose the Rebels have clinched first place, if they win the Rebels would have to beat Camrose Thursday night in Camrose before

facing the rough and tough Fort Saskatchewan Huskies at home Sunday, February 21st in the final league game. The league playoffs for the Rebels will start Saturday night, February 27th and Sunday, February 28th at home. The first place team will play the third place team while the second place team meets the fourth place team.

Provincial playoffs for the Rebels start Tuesday, February 23 at 8:30 p.m. in the first of a two game total point series against Rays Esso from the Edmonton central league. Date for the second game, which will also be in Drayton Valley has not yet been set. I should have complete stats for league and individual points in next week's Western Review.

Petra Burka Here Saturday

Petra Burka will be arriving at our arena around 11:00 a.m. Saturday morning. A former Canadian and World Figure Skating Champion, she is presently on tour across Canada as liaison officer for the Canadian Figure Skating Association.

Miss Burka has expressed the wish to skate with children of the skating club as well as chat with as many parents and executives as will be possible during her short stay. She will be at the arena from 11:00 a.m. to 12:45 p.m. and from there she will attend a luncheon in the Cadium Room which will be followed by a zone meeting.

COUNCIL BRIEFS

Cont. from Page 1

Council was advised that two applicants, Mr. Fred Calyon and Mr. Anthony Osborne, had offered their services as E.M.O. coordinators. Council recognized high qualifications by both men for the job and after considerable discussion agreed to the appointment of Mr. Calyon as E.M.O. Co-ordinator.

Council discussed the matter of a comfort station and the letter received from the Women's Institute accepting the offer of basement facilities in the Administration Building. Council authorized renovation of the basement rooms and negotiations for caretaking by the town's janitor. Supervision, it was decided, should be the responsibility of the W.I.

Council authorized drafting of a "Procedure for Meeting" bylaw for the town. A new traffic bylaw No. 527, received two readings and referred back to committee of whole.

Finance Chairman, Councillor R.B. Smith, was appointed official delegate to attend the annual meeting of Alberta Municipal Financing Corporation on April 5th. He will be accompanied by Secretary-Treasurer W.G. Johanneson.

On the recommendation of the Recreation Board, Council approved the appointment of Mr. Barry Richer to the Recreation Board as a replacement for Mr. Russell Simpson.

The installation of a water fountain in the arena lobby was authorized by council.

Annual meeting of town ratepayers was set for March 15th.

Public works Chairman Bob Huber, Personnel Chairman R.B. Smith and Mayor Lloyd MacLean were appointed to examine applications received for the position of Municipal Engineer.

Gravel tenders were opened but decision delayed awaiting confirmation of this year's paving program.

Tenders were as follows:
Pembina Sand & Gravel 3/4" 2.65 per cu. yd., 1968 standard 1 1/2" 2.35 per cu. yd. plus royalties.
T.A. Moulson Const. 3/4" 2.37 per cu. yd., 1 1/2" 2.02 per cu. yd.
LaTosky Construction 3/4" 2.65 per cu. yd., 1 1/2" 2.47 per cu. yd.
W.T. Armstrong Crushing Ltd. 3/4" 2.70 per cu. yd., 1 1/2" 2.50 per cu. yd.

BURTONSVILLE NEWS

Congratulations to Mr. and Mrs. John Wilkerson (nee Julie Bailey) of Peace River on the birth of a baby girl January 31st. Don and Pat Tattersall and family, Roy and Betty Tattersall and family of Fox Creek visited the Tattersall home on Saturday and Sunday.

Mr. and Mrs. Woodrow Combs of Devon also visited the Tattersall home. Mary returned with them to spend a few days.

Mr. Earl Jones of Calmar, a former resident of Burtonsville, is in the University Hospital where he underwent surgery February 10th.

A speedy recovery is wished Mr. Jones.

Congratulations to David Tattersall and Eleanor Osbak on their recent engagement. Wedding bells are ringing in May.

Congratulations to Bill Thirsk of Quesnel, B.C. and Mary Tattersall on their engagement. They also plan on being married in May.

Mrs. Ulrich Wiedeman has her oldest brother Tom Plumby and wife staying with her for a short while.

Things would be a lot better if men were as patient all the time as they are when waiting for a fish to bite.

World Day of Prayer To be Held March 5th

Thousands of Christians from 150 countries participating in prayer services also donate offerings to help "their brother".

The theme this year is a New People for A New Age. The service was prepared by a group of women in the Caribbean countries, under the auspices of the International Committee of the World Day of Prayer.

In Canada, the Women's Inter-Church Council of Canada, sponsors the World Day of Prayer and allocates the offerings. Its service is adapted with the family in mind. Men, women, and children participate and conduct services which reach from Newfoundland to the North West Territories. Services are held in churches, hospitals, sanatoriums, homes for aged, schools, private homes and youth groups. Some cities will arrange prayer vigils.

In Canada, translations of the service are available, free of charge in English, French, Chinese, Japanese, Braille and Italian.

Last year \$69,000. was allocated to provide educational tools and Christian literature in Canada and around the world. Various institutions, organizations and societies as well as educational and ecumenical projects received an assist.

Included were the John Milton Society for the Blind in Canada, Transport for Christ (Highway Evangelism), Indian - Eskimo Association of Canada, Catholic Organization for Development and Peace, SNIB, relief work among the youth and children in Peru, literature and assistance for people living on the roof tops and in subterranean dwellings in Hong Kong, assistance for translations into the Aymara language (South America), medical relief work in Vietnam and the Mission to Seamen -- to name but a few.

Small son to parents bringing home triplets: "We'd better start calling folks now. They're gonna be harder to get rid of than kittens."

THE NORTH: one of our greatest resources

Our North is a vast and varied land, rich in resources of all kinds.

Huge reserves of petroleum and minerals have recently been discovered in our North. Now technology is opening up this vast frontier.

Another important resource of our North is its wildlife. This area of our country provides some of the finest fishing in the world. And there are species of plant and animal life that exist nowhere else. It is important that they be preserved and protected.

CANADA'S NORTHERN FRONTIER

In the interests of Northern ecology, your gas company presents a half hour colour documentary on Canada's North, part of the series THE WORLD AROUND US.

Travel from northernmost Alberta into the N.W.T. Fish for northern lake trout, follow the migrant Caribou and visit the Eskimos. All seen through the camera of WILDLIFE LECTURER AND PHOTOGRAPHER, EDGAR T. JONES.

Summary Regular Meeting Of Parkland Council

Minutes of regular meeting of the Council of the County of Parkland No. 31, held in the County Office at Stony Plain, Alberta on Monday, February 8th. Minutes as recorded by secretary and not yet adopted.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

Mr. Adolph Shep, County Fire Chief was present at the meeting to discuss with the council requests for equipment made at the last quarterly meeting of Fire Chiefs.

Chief Shep recommended that the following items of equipment be supplied to the various fire fighting units; fluorescent shoulder belts; required quantities of hose; redesigned reporting forms; install two additional fire phones in Wabamun and required lanterns and flashlights.

It was agreed that the foregoing recommendations be accepted.

Mr. W. F. Purdy and delegation of Wabamun were present on behalf of the Wabamun Community Association concerning the proposed construction of an ice arena in the Hamlet of Wabamun.

It was agreed that the forthcoming Annual Meeting of ratepayers to be held on Saturday, March 20, 1971 be held in the New Spruce Grove School Auditorium.

Request for comments concerning a suggestion for new legislation in the form of a planning fund, was received from the Alberta Urban Municipalities Association.

It was agreed that this matter be tabled for consideration at the next meeting of the Interim Development Board.

It was agreed that taxes as follows be cancelled for the reason that the 1970 Mill Rate was applied to the wrong assessments: Pt. NE 1-53-6-5 (20 acres) and Pt. NE 13-53-6-5 (49.14 acres).

EVANSBURG NEWS

Beautiful warm thawing weather almost puts the thoughts of spring planting in our hearts these days. It is hoped that the ice will stay for the Kin Kapades that will be held at the end of the month.

The 4-H Beef and Field Crops Club held a skating party recently at which everyone had a good time. The 4-H Tractor Club held a hayride which ended at the Parkcourt Hall where the members played games and had themselves a night of fun.

In the midwinter theory examinations of the Royal Conservatory of Music of Toronto, held at Alberta College, Edmonton, the following students of Mrs. Elizabeth Tkachyk were successful: Mary Tkachyk, grade 1 rudiments first class honors; Katherine Kalinowski, preliminary rudiments first class honors. Congratulations to these hard working music students.

This weekend the Skate-a-thon sponsored by the High School Students is taking place. The skaters have a nice weekend for this event.

Some sixty farmers and breeders took advantage of the Stockman's night sponsored by the Simmental Association to find out the latest facts on cattle breeds in Western Canada.

Those people who have to deal with animals in the line of their work were receiving their rabies injections beginning this week. Many district residents took advantage of the clinic held by the village to get their pets immunized against rabies last week.

The latest accident to have occurred in our household is the cut to Jeff's hand. In consequence Jeff has had to miss several days of school until the injury is well on the way to heal. This is the hard way to find out not to pry frozen hamburgers apart with a sharp knife.

FIRE PREVENTION WEEK CONTEST

Notice received that the Wabamun Fire Department won Honourable Mention in the Canadian Municipal Class F and Third Place in the Provincial Municipal Division in the 1970 Fire Prevention Week Contest.

It was agreed to forward a letter of congratulations to be Wabamun Fire Department for this achievement.

By-Law No. 4-71 authorizing the issuance of debentures for the borrowing of \$300,000.00 for the purpose of financing a water line from the City of Edmonton to Stony Plain, received first reading.

It was agreed that a series of meetings be arranged throughout the County to inform the ratepayers regarding the installation and operation of the proposed water line from Edmonton to Stony Plain.

Mr. S. C. Moore, Parkland Regional Recreation Superintendent was present at the meeting and presented to Council information concerning the proposed construction of an ice arena in the Hamlet of Wabamun.

Offer to purchase the E 1/2 30-53-2-5 for the sum of \$6,000, was received from Mr. Dali Bhandari of Edmonton. It was

agreed that this land be not sold at this time.

Request to lease the E 1/2 30-53-2-5 was received from Mr. Dali Bhandari of Edmonton. It was agreed that since this land is presently leased to Mr. P. Jungwirth of Carvel for the year 1971 the lease be not transferred and no change be made in the existing lease.

Request from Camrose Radio Station for support of an application for a power increase from 10,000 to 50,000 watts. It was agreed that the requested support be given.

Request to purchase 2,500 cubic yards of gravel from stock pile in the SW 13-47-11-5 was received from the Department of Highways and Transport. It was agreed that this amount of gravel be sold at \$1.30 per cubic yard.

It was agreed to instruct the Assessor to assess for taxation purposes in 1971, all improvements on the NW 20 & SW 29-52-4-5 as the necessary information to assess these properties was not available prior to the close of time for completion of the annual assessment.

Agreements with the C.N.R. to run water and gas lines under the railroad tracks in Wabamun were approved.

Cont. on Page 6

Simmental Meeting Draws Good Crowd

On February 4th, United Simmental sponsored a Stockman's Night in the Evansburg Legion Hall. About 70 interested persons attended, this being one of the largest groups to attend any of the similar functions which they have presented at various points across Canada.

Mr. Leroy Rollins of United Simmental (Barrhead & Cardston) also a director of the Canadian Simmental Association was the main speaker. His informative talk illustrated with color slides served to acquaint the audience with the Simmental cattle, their genetic potential, importation and recordation procedures.

Cross-breeding, breed selection for specific carcass traits, R.O.P. testing, and the introduction of dairy-type (for milk)

bloodlines in the beef herd are becoming necessary for the commercial breeder to compete in the modern beef industry. The Simmental cattle have most of these desired traits, hence their use to service a large portion of North America's cow population is anticipated.

Two door prize draws were made. Larry Ambrose won the United Simmental prize of 25 Apolo eartags. Mr. Brian Rutherford won the free service of a cow (A.I.) to a Simmental Bull. The evening ended with the serving of coffee and doughnuts courtesy of Evansburg Breeders Service.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

Long-range economic planning aimed at shifting new industrial growth into smaller centres across the province is a dominant theme in the Social Credit government's 1971 legislative package.

The speech from the throne opening the current legislature session stresses the need for a balanced economy in Alberta plus recognition of the fact that decentralization can't be accomplished overnight.

Implementing the policy is harder than stating it. For this year, the government's major legislative thrust will be an Industrial Development Incentives Act to cover smaller centres not now eligible for aid under federal development programs.

But the government promises it will look to "active involvement" of industry and labor from across the province for suggestions of making the policy an effective economic instrument.

And it underlines Premier Harry Strom's belief that Alberta capital, labor, technical and managerial expertise should be put to work in the new industrial enterprises.

While a healthy economy itself would provide more jobs, the Strom government promises as a short-term measure incentives to attract new capital and training programs for the unemployed.

The province also promised to take its \$200 million grid road program off the shelf and begin constructing its much-delayed program of modern grid roads in rural areas. The 20-year program will start, appropriately enough in an election year and is likely to mean substantial paving of rural arteries starting this summer.

For the farmer, the government is promising to step up its efforts in the agricultural produce marketing field.

"Expansion of current markets and the development of new markets will require a constant supply of quality products, the throne speech said. The government will develop programs to ensure that Alberta producers meet these objectives."

The bulk of the government's legislative program will be taken up with re-organization and a series of social service reforms.

The departments of health and social development will be merged and a new department of the environment created. The provincial secretary's portfolio and department of youth will both contribute sections of their responsibilities to a new department of culture, youth and recreation.

Legislation will also reduce the age of majority from 21 to 18 and provide for a driver education course in the high schools.

Four new provincial parks will be built this summer, providing employment for young people. The wilderness areas act, subject of a series of public hearings last summer, will be reintroduced.

A compulsory auto insurance scheme, operated by private agents and subject to co-ordination by a legislature committee, will be enacted this spring.

Report From Parliament Hill

By Allen Sulatycky, M.P.

Youth and vitality commonly go together. But it seems to take age and experience, in the person of John Diefenbaker, to breathe life into Canada's Parliament.

One of the curious qualities of politicians is that they wish everyone to listen to them, yet they refuse to listen to each other.

During the course of any debate in the House of Commons it is unusual to find more than one or two Members of Parliament of those present actually listening to the Member who is speaking. Most will be writing letters or speeches, reading, engaging in conversation with other members or occasionally even dozing.

Even when any of the party leaders or Cabinet Ministers speak, most Members listen more out of duty than genuine interest.

The Member who can constantly attract the attention of all who are in the Commons Chamber is a rarity. Indeed, John Diefen-

baker seems to be alone in this class.

Several years ago when it must have seemed that his experience was unwanted, the former Prime Minister revealed that he intended not to speak again in Parliament. Fortunately for Parliament this self-imposed silence did not last. By it Parliamentary debate would have lost much of its already meagre vigor.

Most speeches in Parliament are generally dull. Not those of John Diefenbaker. Even on non-contentious, uninteresting subjects, his words inject an electric charge into the debate.

Quoting frequently from the great and near great of the past, describing his own experiences, or coining a unique phrase, he commands the attention of all present. Some who refuse to listen, nevertheless do so in spite of themselves.

Several days ago while he spoke on the Bail Reform Bill, I sat not so much listening to his words, as attempting to gauge their impact on those around him.

It is remarkable how one man can influence a place, or a place one man.

Bright eyes usually are an indication of curiosity, and more often than not, black eyes are an indication of too much curiosity.

Editorial — Comment

Be a Doer

Every club and organization in this, and probably all other communities, appears to be composed largely of a fork and knife brigade that enjoys all the benefits of membership, and a small corps of doers that carries the work-load for the rest.

The doers generally go about their tasks diligently and get things done and the group and its projects moving ahead. Unfortunately, at times their best efforts go astray and they are sometimes subjected to criticism from the fork and knife side, who, having done nothing, should say nothing. Constructive criticism is fine, but it feels better coming from someone who shares the load rather than a member who spends most of his time dragging his feet.

Perhaps all of us should assess our position in various clubs and groups, then when we've determined just how little we do, let some of the doer's enthusiasm rub off and get a great many more shoulders to the wheel. Sagging clubs, organizations and communities would come to life with sparkle and zest and we'd go ahead at a tremendous pace.

Ice Safety

Along with winterizing your car, your home and your wardrobe, the Canadian Red Cross reminds you to winterize your thoughts about water safety.

Ice-covered water is a major hazard because ice thickness and strength can be deceptive.

The Red Cross water safety service suggests that you keep in mind the following safety tips before venturing out onto ice-covered water: Make sure that ice is at least four inches thick if it is clear ice. Remember slush ice is only half as strong as clear ice.

Six inches of clear ice is the minimum for snowmobiling. Twelve inches of clear ice is the minimum for car travel.

Remember braking or accelerating increases the weight pressure of any vehicle.

Avoid ice formed over flowing water or near open water. If in doubt about ice conditions, check with local authorities.

Remember, if in doubt don't venture out.

When on ice have a buddy with you.

Carry a pole to straddle the hole if you fall through.

Distribute weight over a wide area when transporting a heavy load and don't crowd on the ice or in an ice fishing hut.

Be extra careful during the late fall and early spring. The "freeze-up" and "break up" periods are when the greatest number of winter drownings occur.

If an accident does happen and you are required to perform a self-rescue, don't panic, call for help, extend arms along ice surface, flutter kick and wiggle forward, roll sideways to safety, stay down until you are sure you are safe.

When rescuing others, think clearly, act quickly, get down to distribute your weight, extend your reach with a belt, scarf, jacket, pole, line or anything available and form a human chain.

LETTERS

TO THE
EDITOR

Editor,
The Western Review
Dear Sir:

At the risk of being called a "spoilsport" I would like to voice my opinion on Sunday morning sport activities. Many people say this has nothing to do with the churches. Do they realize when Sunday started, God gave Moses the Ten Commandments. One of them said, "Remember the Sabbath Day and keep it holy. Six days shalt thou labour but the seventh is the Sabbath of the Lord Thy God, in it Thou shalt do no work." We cannot have sports on Sunday without people working.

At the resurrection of Christ, the Sabbath or Sunday was changed to the first day of the week. Whenever we observe Sunday as we should observe it, we are re-asserting our belief in the resur-

rection of Jesus Christ which is the foundation of our Christian belief in the Western World.

Many people have said to me, "It is the responsibility of parents to say whether their child goes to the arena or to the church. I feel many parents cannot or do not want to make this decision.

It causes too much conflict between parents and children. We had this conflict in our own home when we had to make a choice between leaving early Sunday morning to attend Swim Meets in other towns or attend morning church services.

I feel a child should grow spiritually as well as physically and socially. Where else is he going to get this but Sunday morning at the church of his choice? Let's not let our love of sports destroy our love of God.

Signed by one who hopes there is a Christian Religion for future generations,

Winnie Hammerlindl

Loafing on the job is encouraged only in bakeries.

IMPORTANT NOTICE

The School Committee of the County of Parkland No. 31 will hold a series of information meetings regarding the proposed Tuition Agreement with the Yellowhead School Division No. 12, which would enable the high school students from the north west corner of the County to attend the High School in Evansburg.

The purpose of these meetings is to give the public information regarding the proposed school, courses to be offered, terms of the agreement, etc. Officials of both school jurisdictions will be present to answer questions and discuss any aspect pertinent to this matter.

The Dates and places of the meetings are as follows:
Entwistle School - Tuesday, February 16, 1971 - 8:00 p.m.
Seba Beach School - Thursday, February 18, 1971 - 8:00 p.m.
Tomahawk School - Monday, February 22, 1971 - 8:00 p.m.

All interested persons are cordially invited to attend in their respective school districts.

SCHOOL COMMITTEE
County of Parkland No. 31
Stony Plain, Alberta

Members of the Deardoff rink, winners of the Grand Challenge event in the Entwistle Ladies' Bonspiel, are shown above. From the left, Audrey Deardoff, Eleanor Oliver, Marge Campbell and Maxine Willoughby.

D. V. Highlights

Mrs. Ken Machan is going about these days in a state of pleasurable anticipation. Mrs. Machan will spend the month of June in her native England. She was born in London but spent the war years in Sussex and has relatives from one end of the country to the other.

Congratulations to Bert and Ray Duperron who both won their bouts in the Silver Gloves Competition held in Edson last week. The Silver Gloves Award is made on points and next year one of these boys may be bringing the coveted trophy to Drayton Valley.

Miss Angela Wood has arrived to take charge of the grade two room left vacant by the resignation of Mrs. Carol Lane.

Mrs. Harvey Pederson has her mother, Mrs. Waldin, of Victoria, visiting her for a time. Mrs. Pederson appreciates her mother's help in the Lemon Tree.

Dr. and Mrs. Belcher and family took advantage of the fact that school was closed during Teachers' Convention to take a skiing holiday in Jasper.

Mr. and Mrs. Arnold Lloyd were very impressed, not at all favourably, by the weather at the west coast when they were there in January. White Rock, that paradise of the West Coast, experienced gales up to sixty five miles an hour and the Vancouver Island Ferries did not run for two days. Yes, we can hear our B.C. friends and relatives saying, "That is very unusual".

The last Town census shows that our population has risen quite sharply. We take this opportunity to welcome the following new comers to our town, Mr. and Mrs. A.C. Hartley, Devon; Mr. and Mrs. R.H. Huslage, Lanigan, Saskatchewan; Mr. and Mrs. Molner, Whitecourt; Mr. and Mrs. Martin, Red Deer; Mr. and Mrs. M. Davis, Redwater; Mr. and Mrs. Wm Featherstone, Halifax; Mr. and Mrs. Perry, Red Deer; Mr. and Mrs. M.L. Gosselin, Calgary; Mr. and Mrs. J. Huslage, Plunkett, Saskatchewan; Mr. T.F. Everden, Lodgepole; and Mr. and Mrs. J. Heft, Swift Current, Saskatchewan.

A wedding of local interest will be solemnized in the Drayton Valley United Church on February 27th when Vera Fem Hogson, eldest daughter of Mr. and Mrs. Albert Hodgson and Dale Jorgeson, son of Mrs. Clarence Jorgeson of Killam and the late Mr.

Jorgesen will be married. The young couple will make their home in Red Deer. Very best wishes for future happiness, Vera and Dale.

Thanks to Lion, Ritchie Woods for generously sharing his jokes with me. We are not making use of them at this time because it is felt that they are too subtle, in fact one might almost say they are blank.

Belated birthday greetings are going out to Lloyd Mickee for January 25th, and to his mother, Mrs. Agnes Mickee for the 26th. Alice Irwin phoned from Chemainus, B.C. to wish her mother a happy birthday that day.

There was no Home and School Association meeting at Buck Lake on Wednesday, February 3rd. It will be held next month, Wednesday, March 3rd, at 8:00.

Mrs. Sylvia Poszgal was hospitalized in Drayton Valley for a week or so. Hope you are better now Sylvia.

Madeline Prefontaine travelled to Turner Valley by car on Saturday to visit with her sister Jackie, Bill and Jimmy Price for a few days. They plan to spend a couple days at Creston, B.C. visiting as well.

The groundhog definitely saw his shadow on February 2nd -- the first day the sun had shone for some time. Looks like we'll have 6 weeks more winter -- or is that 6 months?

Visitors from Friday to Sunday at Rudy and Vera Brzus' were her parents, Mr. and Mrs. Eastwood and her sister and family, Mr. and Mrs. Don Peterson, all of Ponoka. Don and Evelyn curled in the Open Bonspiel with Rudy and Vera.

Bill and Pat Campbell, of Edmonton have purchased the store and cabins formerly owned by Mr. and Mrs. Howard Ellery, now of Millet, and moved in February 1st. The Campbells have three children.

Mr. and Mrs. Kenneth Johnston are very happy to announce the arrival of their chosen daughter, 6 month old Terri Lin Michelle. Congratulations and best wishes

to the Johnstons on this wonderful addition to their family.

Weekend visitors from Edmonton at the George McLeod home were Wally, Sandy and Sheldon Glenn, and at Nick and Edna Wasyk's were Arvid and Pat Kellgren, or Drayton Valley.

The Open Bonspiel which was held at Buck Lake February 2nd to 7th was a huge success. The results of this will be in next week's issue. A well attended banquet for Curlers and friends was held on Saturday evening.

George and Cora Fontaine motored to the Grande Cache area and various northern points for a few days business trip.

Some of the Buck Lake Junior and Senior High Students were entered in the High School Bonspiel sponsored by the Students Union on the weekend. They brought back some lovely trophies.

Congratulations to the Buck Lake Ladies who entered the Ladies' Bonspiel at Alder Flats, recently. Winner of the 1st event was Norah Dawson's rink with Audrey Rainer, Goldie Anderson and Barb McLeod. They won stainless steel tableware.

Second in the 1st was Alta Anderson skip, with Velma Miller, Vera Brzus and Gwen Parker. Their prizes were Cheese Trays with a glass cover.

The Betty Bohning rink took top place in the 2nd event. Betty's team mates were Edna Wasyk, Bev Siegel and Verna Brown. They received blankets.

Mr. and Mrs. Wyman Fullerton were in Edmonton at the weekend visiting with Larry and Arlene and family.

Mr. Ed Jason attended an NDP meeting at the Chateau Lacombe

in Edmonton on Saturday, February 6th.

The teachers will be attending the Teachers Convention in Edmonton at the Chateau Lacombe and Macdonald Hotel on Thursday, and Friday, Feb 11 and 12.

Sincere congratulations to Mr. Ed Jason, grade 5 and 6 teacher, at Buck Lake for entering the grades 3, 4, 5, 6, 7, and 8 girls in the Talent Show in Wetaskiwin Friday evening during Carnival Days. Mr. Jason accompanied the 21 girls on the piano as they sang three folk songs. It is not known at this time just how they came out in this endeavor, but we think it was a wonderful undertaking and a good experience for all of them, appearing before approximately 500 people.

WEDDING REPORTS
-- Over 1 month old will not be accepted for publication in The Western Review.

Regular Meeting County Council

Cont. from Page 3
Request for improvement of drainage facilities in the Shoal Lake Area was received from Cormie Ranch Ltd. Referred to the Public Works Department for investigation and report.
Letter dated January 21, 1971 from the Department of Highways and Transport was presented to the Council suggesting that the road one mile west of Stony Plain from Highway 16 north be named "Chicacoo Road".
It was agreed to request that this road be not officially named

at this time.
Request from Wabamun Hotel Ltd. for a reduction in the water charges for December, 1970 was presented to the Council. This request was made as a result of the water supply in Wabamun having been interrupted.
It was agreed that this request be not considered as interruptions in the water supply are unavoidable.

Preliminary Agreement for 33 feet of land on the north boundary of the NW 11-53-27-4 for road widening purposes, with compensation of \$300.00 for approximately 2 acres of land and \$75.00 towards the cost of the survey, was approved.
Messrs. L. Kluthe and S. Walker, Councillors from the Municipal District of Sturgeon were present at the meeting concerning the proposed new bridge on Dog Creek west of the NW 20-53-26-4 and other matters. It was agreed that the Municipal District of Sturgeon be authorized to survey its road from the north to coincide with the proposed new bridge alignment.
Offer to purchase the old desk in the Lodgepole town office for the sum of \$25.00 was received from Mrs. B. Johnston of Drayton Valley. It was agreed that this offer be accepted.

It was agreed to enter into an agreement with Mobil Oil Canada Ltd. for use of its private roads south of sections 11 & 12-49-8-5 and 7-49-7-5.
Letter in the form of a petition dated January 22, 1971 was presented to the Council indicating great satisfaction with the condition of the roads and snowplowing services in the Woodbend area. This petition was received for information.
Letter dated February 3, 1971 from the Department of Highways and Transport was presented to the Council suggesting that road allowance south of section 20 & SE 30-50-4-5 be closed for grazing purposes only and that the road allowance remain in native vegetation for wildlife cover.
It was agreed that a condition of lease shall be that this road allowance be not cultivated and be retained in its present native state.

Request received from the Town of Drayton Valley for payment of \$4,352.54 being one-third of the 1969 deficit of operating and maintaining the Centennial Arena in Drayton Valley.
Moved that representatives of the Town of Drayton Valley be invited to attend a meeting for the purpose of discussing this request. Motion defeated.
Moved that this account be not paid in keeping with policy to not share in the operation and maintenance of recreational facilities. Motion carried.

COMMITTEE REPORT
Written report of a Committee of the Council consisting of Councillors Lent and Mann was presented to the Council concerning attendance at a meeting of the Council of the County of Lac Ste Anne No. 28 in connection with a request for paving of the road from the SW 15-53-3-5 to Alberta Beach.
The Committee recommended that paying of this road be not undertaken at this time as there is presently a fully paved route to Alberta Beach.
Report and recommendations accepted.
The remainder of the afternoon was devoted to the discussion of staff salaries and wages for 1971.

NEWS NOTES FROM THE D.A.

R.O.P. CATTLE

Increasing interest is being shown in this program. We weigh your calves at weaning time and again in the spring and send these to the computer to figure daily gains, pick out high performing animals and make a better cowman out of you. After a couple of years on R.O.P. you can identify your cows and calves by number in your sleep. All this means is you don't get no sleep.
What is required? Ear tag your cow herd; record birth date of calves; ear tag calves; call us at weaning to bring the scales. The following ranches are on R.O.P., check with them on how useful it is: Ken McKenzie, Cecil Porter, Jim Ferrier, Shady Lane Ranch, Cormie Ranch, Roy & Gordon Scheideman, Flying Red Wheel, R.D. Secord, Larry Gano & Allan Home, Ken Willey, W.G. Medd, Ben Harrison, Henry Joneson, Dave Case. Get on the band wagon to better cattle through records. Ear tag that cow herd this winter.

A reminder of the beef grading clinic to be held on Friday, February 19th at 1:00 p.m. (Note -- this program was planned for you, the homemaker, as well as the

beef producers.)
We still have the Prairie Provinces farm account books available which so many producers in this area are using. By investing a buck they assist you in keeping complete records of: farm inventory; items purchased and sold; field rotations & crop treatments; crop yield and livestock production; personal expenditures and credit transactions.
Compile a complete profile of your farming business throughout 1971 -- it's a boon at income tax time and helps you make sound financial decisions throughout the year. Remember, a farm without records is like a clock without hands.

CAN IDB SERVE YOU?

one of our representatives

E. B. HOLGATE
will be at

The Ambassador Motel, Drayton Valley
Friday, February 19th, 1971

In this district and throughout Canada many persons and firms in practically all types of businesses including

- Agriculture • Tourist and Recreational Businesses • Construction • Professional Services • Transportation • Wholesale and Retail Trades, as well as Manufacturing

have obtained loans from the IDB to acquire land, buildings, and machinery, to increase working capital, to start a new business, and for other purposes. If you consider that IDB can be of service, you are invited to arrange an appointment with the IDB representative by telephoning 542-3772

or in advance by writing to

idb INDUSTRIAL DEVELOPMENT BANK
601 Chancery Hall
Edmonton, Alberta

ENTWISTLE NEWS

The following people of our district have been in the hospital or still are in the hospital: Mrs. Ella Kidner, Leo Jensen, Bill Davies, Mrs. Olivine Town and Mr. Bill Rachuk. We hope you will all be feeling better soon and able to return to your homes.

The Entwistle O.O.R.P. is holding a pancake supper on March 7th, starting at 4:30 p.m. in the Elks Hall. Everyone is welcome and watch for posters in your community.

The Entwistle Junior High boys and girls basketball teams played at Drayton Valley on Saturday, February 6th, but lost both their games.

Gordon and Marge Campbell went to Wainwright on Tuesday, February 9th, to attend the funeral of Gordon's Aunt.

Mrs. John Treit has had her sister visiting her recently.

Little Wendy Ostertag is back home after spending a few days with her grandmother in Whitecourt. Glennis and Ralph went for her on Wednesday, February 3rd, as she had been away since Sunday, January 31st.

The children are enjoying skating on the rink at the school.

The Entwistle Men's Bonspiel which was held February 4th, 5th,

6th and 7th went off in splendid fashion. Twenty teams were entered and the ice was perfect. The winners were: Grand Challenge: 1st, Ron Robinson rink of Edmonton; 2nd, Nikoljuk of Wildwood; 3rd, McPherson of Lodgepole and 4th, Fleming of Edmonton. - Second event: 1st, Dennis Leyden of Edmonton; 2nd, Dennis Deardoff of Entwistle; C. Thorburn of Seba Beach and 4th, C. Holosney of Seba Beach. Third event: 1st, G. Ife of Wildwood; 2nd, A. Lorenz of Evansburg; 3rd, Ted Starling; and

4th Dave Gylander of Entwistle.

The club wishes to thank the caretakers for their untiring work, those who worked on the counter, the banquet, and in the recreation building. A very special thanks to Mr. Norman Sinclair for his generous donation to the club.

The Entwistle Curling Club is having an open mixed bonspiel on March 19th, 20th, and 21st. Entries can be made to Lil Hanson or Meg Swinerton. More about the spiel in later news reports.

Members Hear Speeches At Moon Lake Meeting

The February meeting of the Moon Lake 4-H Beef Club was held on Tuesday, February 9th in the Moon Lake Community Hall.

The roll call which was "The Breed of My Calf" showed all members present.

On February 21st there will be a bowling and curling competition for all clubs in the County of Parkland. Seven members from our club are going bowling and two are curling.

Donna Kidner gave a report on "Importance of good record keeping. Glenn Johnson gave a report on "How and When to treat for Warbles and Lice." Both talks were very interesting.

The public speaking members who had their speeches at the meeting presented them to the other members. Each member also tried an impromptu speech.

After adjournment Mrs. Lysak and Mrs. Cherrington served a delicious lunch.

BOWLING RESULTS

Monday 1:30 p.m. -- Alley Ramblers 51, Lil Arrows 38, 5 Leftovers 29, Gay Fives 46, Busy Bees 43, and Angels 33.

Monday 4:00 p.m. -- Zeros 43, Moby Dolls 46, Forget-Me-Nots 33, Jinn's 31, Hurleys Hur- lers 40, Crazy Five 49.

Tuesday 1:30 p.m. -- Nabobs 36, Aces 35, Mungirls 39, Kook- ies 54, Drop Outs 34, Hi-Lows 32.

Monday 9:00 p.m. -- Blanks 35, Handicapped 34, Munsters 39, All or Nothing 54, Benson 32, Clippers 51.

Tuesday 7:00 p.m. -- Comets 38, Diddlers 42, Beamers 53, Ups & Downs 29, Jays 39 and Tipsters 39.

Tuesday 9:00 p.m. -- Bigtim- ers 53, Dumb Dumbs 44, Bimbos 32, Mr. Clean 40, Gamblers 30, Late 70's 41.

Wednesday 7:00 p.m. -- Black- outs 45, Four & Two 46, Spurters 30, Pea Soups 37, Cops & Robbers 49 and Blades 35.

Thursday 7:00 p.m. -- Five Pins 42, Combats 55, Rockets 39, In Crowd 35, Headpins 37, Good Sports 32.

Thursday 9:00 p.m. -- Left- overs 36, Rebels 32, Beginners 47, Phantoms 42, Pinkillers 43, and 7 - 13's.

Follow the leader, Datsun 1600

Try it.

You're following a car with a list of rally wins as long as an elephant's memory. A car with the poke to put you where you want to be. Out in front. So don't just follow the leader. Drive a Datsun 1600, and let everyone else follow you.

Here's what you see from the inside:

Everything. You've got fantastic all-round visibility. Plus a list of extras that don't cost extra: Contoured bucket seats (reclining in four-door sedan and wagon). Tinted glass. 3-speed heater/defroster. Collapsible safety steering column. Headrests, harnesses and a padded dash. A solid unit body construction for extra protection. Pick a 3-speed automatic or all-synchro 4-on-the-floor.

Here's what you get on the outside:

Front disc brakes. All-independent suspension. Smart styling, in two doors, four doors or a wagon.

Here's what you see under the hood:

A 1600 cc. 96 hp 5-main-bearing overhead camshaft engine that squeezes up to 35 miles from every gallon of gas. Dual barrel carb. Alternator.

Here's where you can see it:

At any of 250 Datsun dealers across Canada. Any one of them will be happy to arrange a test-drive.

Recreation Leadership School this Summer

The 1971 Recreation Leadership School will be held from July 4th to July 31st at the Drumheller Composite High School in Drumheller, Alberta. This leadership school is sponsored by the Department of Youth of the Provincial Government. The school is fully residential and the cost of the entire course for any candidate will be \$70.00. This covers room and board and tuition for the period of the course.

This is a two year course. Candidates successfully completing the first year will receive a Let-

ter of Credit. Second year graduates will be presented with the Recreation Activity Leader's Certificate.

Every community in Alberta has the opportunity to nominate candidates to the school. To be eligible, candidates must be nominated by the local Recreation Authority or by a responsible organization in the community. They must be a student who has finished grade 11 or who is completing that grade by June 1971. Adults who meet these academic requirements are also eligible candidates. They must be physically fit and be prepared to provide leadership service to their community on their return.

Any responsible organization may sponsor a candidate, however, since accommodation at the Drumheller Composite High School is very limited, it is recommended that all groups send applications through their local Recreation Board. The deadline for all applications to these courses is May 1, 1971. All first year candidates will be accepted on the basis of suitability, community representation and date of applications. Remember if you are interested in this school apply early and avoid disappointment.

This recreation leadership school has been in operation for many years and has turned out some excellent leaders who have contributed to the advancement of Recreation not only in Alberta but across Canada. Over the years several young people from Drayton Valley have attended and graduated from this school. One local Recreation Leadership grad is our assistant recreation director, Linda McMorris.

The purpose of the Leadership School is simple. It is meant to provide persons interested in leading Recreation activities with an opportunity to develop their leadership skills.

Any person interested in attending this school should get in touch with the Local Recreation Department immediately. All detailed information as well as application forms and outlines of procedure for candidates are available here.

School Seeks Community Help

Frank Maddock High School wish to solicit the financial backing of the community to send a student to a United Nations Association seminar in science.

The seminar is to be held August 21st to 27th at the Edmonton Campus of the University of Alberta.

A \$65. bursary and \$17. registration fee will cover all the student's board and lodging for the session. Closing date for registration is May 15th.

LODGEPOLE NEWS

Mr. and Mrs. M. Joesting flew to Edmonton with Mr. and Mrs. J. Erickson to visit Mrs. F. Joesting who is recuperating from surgery at Glenrose Hospital.

Linda Morash and son Kevin are spending two weeks with her parents, Mr. and Mrs. McGregor while Wayne is away training with Army Ski Patrol.

Mr. and Mrs. S. Read and Mrs. Cora Read of Bashaw spent the weekend with Mr. and Mrs. Lynn Read and the R. Schultz family.

Mayne and Adeline Schmidt and infant daughter Stacy spent the weekend with Mr. and Mrs. J. Schmidt. Another son, Bob and his fiancée, Miss Debbie Rehn were also here.

Friends from Middle Lake and Pilger Saskatchewan visited with Mr. and Mrs. H. Palmer. They were impressed with the amount of snow out here. Edmonton tallied fifty four inches. Can we claim more than that?

About thirty snowmobilers from Drayton Valley took advantage of a mid moon-light evening to travel by river route to Lodgepole and back.

One of the weekend bonspiel curlers, Miss Loretta Waters, had

the misfortune of breaking her collarbone by slipping on the ice during a game. We hope she makes a speedy recovery.

The ladies 1970 bonspiel was a great success. Many thanks to all the cheerful curlers who participated and to all those who contributed time, labour and music. The first rink to bite the dust was the top of our local league, Hazel Bolianatz assisted by Jerri, Pat and Mona.

The Grand Challenge Trophy was won by the Ivy Selin foursome from Drayton Valley. Second place went to the Phillips rink. Third to MacKenzie and fourth to Shervell.

The second event trophies were donated by Kay's General Store and were won by the Barnes rink with second place going to the Ella Tucker rink, third to M. Haggart and fourth to Bertwell.

The third event trophies were donated by North Western Utilities and were won by the Hansen rink. Second place to the Neil rink and third to the only local rink, Berglund and fourth to M. Woytowich.

Our sincere thanks to donors of prizes and trophies

BEEF IS BEAUTIFUL

Meat is essential to good diet and is the key to every appetizing meal. A favourite of most Canadians is beef. Beef is one of the most versatile foods and lends itself to preparation in many forms.

NUTRITION

Beef supplies valuable amounts of high quality protein and is a good source of "B" vitamins and minerals. Beef also supplies energy in proportion to the amount of fat it contains -- Canada Food Guide suggests we eat one serving of meat everyday. The average serving of cooked meats is 1/3 to 1/2 pound of beef, boneless. This depends on how hearty your meat eaters are.

GRADING

Meat grading identifies quality. Inspectors grade the beef carcass on the amount of fat, proportion of meat to bone, color and character of fat and bone, and texture and color of lean. Canada choice red brand has the highest proportion of meat to bone. Canada good or blue brand has less fat and a slightly lower portion of meat to bone. If that fact spurs your imagination, come and see it in fact on February 19th at the Program Beef Evaluation. There will be an actual cutting of a carcass so you can see the ratio of meat to bone to fat. The program will be at 1:00 p.m. at the Elks Hall in Stony Plain. I feel it would be of interest to any housewife.

Tomahawk Pioneer, 80 Honored on Birthday

Fred Harrison, a long time resident of Tomahawk, was honored on his 80th birthday, by a gathering of old time friends at the home of Mr. and Mrs. Walter Medd.

"Uncle Fred", as he is known to everybody left England May 24, 1911 with his friend Jim Parkins. He was the first of his family to leave England and he must have wondered if he was headed for the land of milk and honey that the C.P.R. posters promised or for a land of wild savages, timber wolves, and 60 below zero weather that the dime store novels were full of. Calgary was his destination and after 9 days on the boat and 9 more on

the train, he arrived, April 11th. There was no work in Calgary for a green Englishman, but with only a few dollars left he got work on a farm at Didsbury. Here he spent a year learning about farming and life in this new country. The following spring he was ready to file on his own homestead. A "land guide" put him onto a quarter South-West of Edmonton. The S.E. 30, T. 50, R. 6, W. 5th. He filed on it and returned to Edmonton to find work. Here he worked for Alderman Calder until he had enough money to purchase his own team of oxen, and other homesteading supplies. He recalls driving oxen over the Low-Level Bridge, up MacDougal Hill and down first street. As most pioneers know to swear, beyond an occasional gee whiz, he learned a few words behind those oxen. It took 9 days with the speedy oxen to reach the home of a Mr. Kelly. They asked him "How far to Tomahawk?" He stamped his foot and replied, "Right here be Tomahawk".

He did many interesting things those first years. He worked in Charlie Cropley's lumber camp and took two trips down the North Saskatchewan River on the log-booms in the spring. He helped harvest at Nobleford, was a road foreman and helped to build the first road around the north shore of Wabamun Lake at Seba Beach.

He has greatly enriched the community of Tomahawk and we are glad he made Canada his home.

Senior Citizens Plan Event

The Drayton Valley Senior Citizens Club will hold a bazaar, bake sale and tea from 2:00 to 5:00 p.m. on Saturday, February 27th in the Elks Hall.

The draw for the crocheted table cloth will take place during the afternoon.

The club would appreciate any volunteer help that may be available.

CARNWOOD NEWS

Deepest sympathy is extended to the Thernberg family from the community on their recent loss.

Mr. and Mrs. Mert Wallen and family motored to Drumheller to attend the funeral of Mrs. Wollen's Aunt and Uncle who were killed in an accident recently. Deepest sympathy from the community.

A number of Camwood 4-H Sewing Club members drove to Saskatchewan to attend the Pan Am Games. Also accompanying them were Mrs. Opal Ward, Gordon Holmgren and Percy Laughlin.

Mr. and Mrs. Ray Sr. have returned home from B.C.

Mr. Douglas Young of Calmar visited friends in the district.

The F.U.A. Local 949 held its meeting on Thursday. The new slate of officers for 1971 is President, M. Bezudney; 1st Vice-President, Lester Cropley; Secretary-Treasurer, Hazel Johnson; Directors, Raynold Jehn, Ted Barnett, Bert Flathers, Joe Mayr and Rose Saunders. A report was given on the convention by the secretary. We had Mr. Steve Kugyelka of Funnell Local as a visitor.

Mrs. Gwen Thooks attended the teachers' convention in Edmonton last week.

Mr. William Shipton is now a patient in the University hospital in Edmonton.

There will be no bingo's at the Camwood Centre in March and April.

Wins \$10,000 At Bingo

Mrs. Josephine Romanson of Drayton Valley won \$10,000. at the Gardens, playing bingo.

Mrs. Romanson said she had never before won a big bingo prize, although her son won in one of the smaller games at The Gardens three years ago.

The cash bingo was sponsored by St. Andrew's Men's Club.

RECREATION ROUND-UP

BOARD APPOINTMENT

The vacancy on the Drayton Valley Recreation Board created through the resignation of Russ Simpson has been filled. Barry Richer has been appointed to the Board and he will attend the regular monthly meeting of the Board on Monday, March 1st.

Mr. Richer is the Principal of the Drayton Valley Junior High School. He has been active in the various phases of the local Recreation program during the time he has been in Drayton Valley. He has been president of the D.V. Athletic Association, for the past two years.

At this time the members of the D.V. Recreation Board and the Recreation Staff wish to extend their sincere appreciation to Russ Simpson for his many years of service as a board member of well as his many and varied contributions to Recreation in D.V.

Also, we extend an equal vote of thanks to Mrs. Gwen Simpson for her tremendous contributions of time and effort in the organization and promotion of the figure skating program here. This couple will be missed by one and all and our best wishes go with them in their new home in Edmonton.

ADULT BADMINTON:
Monday night 8:30 to 10:30 p.m. in the Frank Maddock High School Gym. Fee 25¢.

LADIES KEEP FIT:
Tuesday and Thursday 7:30 to 9:00 p.m. at the Drayton Valley Junior High School.

MEN'S BASKETBALL:
Monday and Wednesday 8:30 to 10:30 p.m. at the Drayton Valley Junior High School.
MOTHER'S DAY OUT:
Wednesday 1:15 to 3:30 p.m.

Fee \$1.00 adult and 25¢ per child for babysitting downstairs. Program for February 24th: Cake decorating and guest speaker and demonstrator Mr. Doug Barnes.

LITTLE CANADIAN BASKETBALL

LEAGUE SCORES:
76ers 26 -- Lakers 18;
Celtics 18 -- Pistons 12.

LEAGUE STANDINGS

	W	L	F	A	POINTS
Pistons	3	1	51	39	6
76ers	2	2	72	60	4
Celtics	2	2	47	57	4
Lakers	1	3	58	71	2

TOP SCORERS

Lee Hodgson, 76ers -- 43;
Ron Barker, Lakers -- 23;
Mark Berlinguette, Celtics -- 20;
Grant Ellery, Lakers -- 18;
Jim Brooks, 76ers -- 14.

NEXT GAMES -- Friday instead of Saturday.

Lakers vs. Celtics 4 to 5 p.m.
Pistons vs. 76ers 5 to 6 p.m.

Pembina Packers Win Awards

Pembina Packers of Drayton Valley won two awards at the 1971 curing competition of the Alberta Quick Freeze Locker Association held at the Capri Motor Hotel in Red Deer February 14th and 15th.

First prize in the regular garlic sausage competition was won by Pembina Packers along with a certificate of merit for scoring over 85 points in another sausage event.

BUCK CREEK NEWS

The Community was saddened last week by the death of baby Dirk Lee. Sympathy is extended to the parents, Mr. and Mrs. Lance Lee, grandparents and relatives.

Mrs. Faye Whatley attended the funeral of her cousin, who was killed in a car accident near Lacombe on January 31st.

Congratulations to Mr. and Mrs. Kenneth Nelson on the birth of a 8 lb. 12 oz. boy on Sunday, February 7th.

Mr. and Mrs. Ken Thirk are driving a new Buick.

Mrs. Bernice Thirk was in Edmonton Wednesday attending a bingo.

Cathy Regenwetter was the winner of the lucky draw at the last bingo held in Buck Creek on February 5th.

A speedy recovery is hoped for Lyle Van Loosen who is a patient in the Royal Alex. Hospital following a shooting accident.

SEWING CLASSES:

Tuesday and Thursday 7:00 to 9:00 p.m. in the Frank Maddock High School Home Ec. Room. Instructors Hope Vander Ploeg and Ruth Gregor.

GIRL'S GYMNASTICS:

The Girl's Gymnastic Club will be going to Ponoka on Sunday, February 21st to a Gymnastic Competition and will be taking 45 spectators and 5 competitors.

MEN'S KEEP FIT CLUB

The Men's Keep Fit Club is alive and running and meet every

Monday, Wednesday and Friday at the Junior High School Gym at 7:00 a.m. This may seem like an early turn out, however, thirty to forty-five minutes of calisthenics and jogging is an excellent way to start off the day. Presently eight members attend regularly. There is room for many more and if you are interested just drop over to the Junior High Gym any Monday, Wednesday or Friday at 7:00 in the morning. All comers are welcome.

MAGNOLIA NEWS

The weekly whist party was hosted by Cecil and Marie June on February 6th. There were enough players for four tables. First prize for the ladies was won by Norma Williams. Alma Roth received second while Ruby Brown won both the travelling and consolation prizes. Jack Bal-four won the gents first with Al Roth winning second and the travelling prize. John Brown won the consolation prize. The next party will be at Al and Alma Roth's home.

Maurice Nobert has recovered enough from his fall-time mishap to recently return to his work at Nipisi.

Due to illness etc. only three of the original six "Invaders", a group of grade six singers from Seba Beach, invaded Drayton Valley on Saturday, February 6th to take part in the Search for

Talent show. One new member, Violet Liviniuk joined the other three girls who were Pat Liviniuk, Donna Wirschuk and Colleen Cambell. These young ladies are to be congratulated on their second place win. They were very ably accompanied by Marilynne Langford on the piano. Several chaperones attended the entire group from Seba Beach.

The February Ladies Club meeting was held at Mary Reich's on Wednesday, February 3rd. There were ten members present. Mrs. Christensen was the lucky tea prize winner. The quilt for the raffle in the spring was completed.

Walter Campbell accompanied Gordon and Margory Cambell and Mrs. J. MacLeod to Wainwright on February 9th to attend the funeral of Mrs. Helen Campbell, an aunt to Gordon and Walter.

Legion Calendar

LEGION BINGO -- MONDAY, FEBRUARY 22nd

FOR HALL RENTAL - PHONE 542-3665

COUNTY OF PARKLAND No. 31

INVITATION TO TENDER

SEALED TENDERS with the words "Tender for Construction of Junior High School, Stony Plain, Alberta" marked on the envelope will be received until 12:00 noon, Mountain Standard Time, Wednesday, February 24, 1971 at the office of The County of Parkland No. 31, Stony Plain, Alberta.

The work includes the supply of all labor and materials to construct a one storey masonry school consisting of 10 Classrooms, 2 Science Rooms, Household Economics and Industrial Arts Areas, Ancillary Room and Gymnasium along with necessary support facilities with a floor area of approximately 37,000 square feet.

General Contractors, Electrical, Mechanical and Structural Sub-trades may obtain copies of the plans and specifications at the office of the Architect on or after 12:00 noon Friday, January 29, 1971 for a deposit of \$100.00 in the form of a certified cheque made out to the Architect. This deposit will be refunded following the return of plans and specifications, and submission of tender. When the contractor fails to submit a tender, his deposit will be refunded only if plans and specifications are returned in good condition no later than seven (7) days following the date of closing of tenders.

Suppliers may examine the plans and specifications at the Edmonton Construction Association.

The project will be bid through the Alberta Bid Depository (Edmonton Branch) in accordance with their rules and regulations.

Closing times and places for tenders shall be as follows:

Subs to Prime Trades 2:00 p.m., Friday, February 19, 1971 at the Edmonton Bid Depository.

Prime Sub Trades 2:00 p.m., Monday, February 22, 1971 at the Edmonton Bid Depository.

General Contractors 12:00 noon, Wednesday, February 24, 1971 at the office of The County of Parkland No. 31, Stony Plain, Alberta.

Each tender must be accompanied by a certified cheque or bid bond in the amount of \$25,000.00 payable to the County of Parkland No. 31 as called for in the instructions to Bidders Section of Contract Documents.

The owner reserves the right to reject any or all of the tenders and the lowest tender will not necessarily be accepted.

Dated January 29th, 1971

Special Announcement

Please keep MARCH 1st Free -- when the Drayton Valley Elementary School is host to parents and teachers for a Panel Discussion on "Discipline" Starting at 8:15 p.m.

Scouts, Cubs to Observe Baden Powell Week

When "Johnny" does his daily good turn he is part of the worldwide movement of boys begun in 1907. It was in England and Sir Robert Baden Powell was the organizer. When an unknown lad in foggy London offered to help a visiting American who had lost his way, an idea was born. On learning that this youthful helper was a "Boy Scout" the American visitor, a publisher, conceived a plan for his own nation.

Charles D. Boyce returned from London and with several others, formally incorporated the Boy Scouts of America on February 8, 1910.

Today the scouting organization exists in almost every nation of the free world, from Afghanistan to Zambia, including nine million boys and leaders. At the 1963 World Jamboree in Greece, twelve thousand Boy Scouts from 89 nations lived together as

friends.

In commemoration of Baden Powell Week the annual Father and son banquet will be held on Monday, February 22nd at 6:30 p.m. at the Elks Hall. Price: Fathers \$1.50, Sons \$1.00. Cutlery will be supplied by the catering group.

Cubs and Scouts remember to wear your uniforms during Baden Powell week, February 21st to 27th. Scouts are asked to wear the sashes on Sunday, February 21st.

A non-denominational church service will be held on Sunday, February 21st at 2:00 p.m. at the Cardium Theatre. All Scouts, cub and their parents are urged to attend. A silver collection will be taken for charity.

The boys are to meet at the Scout Hall to parade to the theatre. Please be at the hall at 1:30 p.m.

Retail Course Starts Thursday

Enrollment is still open for the retail management course to be held at the Frank Maddock High School commencing on Thursday, February 18th at 7:30 p.m.

The course, sponsored jointly by the Alberta Division of Vocational Education and the Drayton Valley Retail Merchant's Association, will comprise ten sessions.

Enrollment is limited to 25 at a fee of \$20.00.

The course is designed to help the operator of a retail business deal more efficiently with the problems of commerce.

Further information may be obtained from Jack Pickett or Alex Zubot.

ALDER FLATS NEWS

Congratulations to Mrs. Romanon on her big win of ten thousand dollars at the bingo in the Edmonton Gardens last Wednesday evening.

Dennis and Ruth Nelson took in the North-Am races in Wetaskiwin the weekend of the 6th and 7th. They stayed with Dennis's parents who had their daughter Mavis, her husband and their new baby from Minnesota visiting them.

Val Pearson spent a few days with her parents in Wetaskiwin the first part of the month and returned home with the Nelsons.

The Pee Wee's won their game 8 to 1 on home ice, February 5th, against Buck Lake. The scores and assists were made by Jamie Maciborski 1 goal, Rod Blades 2, Grant Patten 1, Duane Hoflin 1 goal and 1 assist, Lance Schneider 2 goals and 1 assist, Dwayne Patten 1 goal and 1 assist, Randy Hammond 4 assists and Terry Hayduk 2 assists.

Congratulations to the following prize winners in the Buck Lake bonspiel. Dennis Maciborsky's rink took first in the 1st. Byron Larson's rink won 4th in this event and received deep fryers or waffle irons.

We had three winners in the 3rd event, the Hayduk rink took second. The 3rd and 4th place winners won trays. Scotty Hare's team placed third. 4th in the event was won by Arnold Kellgren.

Byron Larson and his two friends from the U of A, Tom Budd and Terry Ogodnik all spent the weekend at the Lars Larsons while out here for the bonspiel.

The flu and colds have really been making the rounds out here; there were 67 children absent from school last Friday, the children probably aren't happy spending their teacher's convention holidays at home in bed, especially with the nice warm weather we are having.

Lou Seely came home from the University Hospital on Friday after undergoing an operation.

THE TOWN OF DRAYTON VALLEY PUBLIC NOTICE

NOTICE IS HEREBY GIVEN THAT UNDER AUTHORITY OF SECTIONS 137 to 145, inclusive, of The Municipal Taxation Act of Alberta and Section 173 of The Municipal Government Act of Alberta, the Mayor and Council of The Town of Drayton Valley intends to proceed with the construction of the project as shown on the schedules below:

W. G. JOHANNESON
Secretary-Treasurer

The cost of the project will be charged against the properties fronting and/or abutting and shall be undertaken, as local improvements. The special assessments will be payable as either a pre-payment or over a period of ten (10) years. Unless the majority of the owners of the land that may be assessed, representing half of the value aforesaid, object, the local improvements may be undertaken and the cost thereon assessed by the system of assessment referred to in this notice.

If no objections are received the Council may proceed with this project at its discretion but within three (3) years. Final reading of this Bylaw will be given as soon as all approvals have been received.

Town of Drayton Valley,

W. G. JOHANNESON
Secretary-Treasurer

MOON LAKE NEWS

Mr. and Mrs. Fred Cherrington returned home from their six week visit in Sacramento, California. They stopped over to visit relatives on their way home in Vancouver and vicinity.

Mrs. Olivien Town is convalescing at home after surgery on her back at the Royal Alex Hospital. Mrs. Clara Bush has been staying with her since her return home.

Ricky Cherrington was the lucky winner of the \$100.00, raffled recently by the Entwistle Elks Lodge. Congratulations Rick don't spend it all in one place.

Membership fees are once again due for the Community league and will be accepted until April 1st. These may be paid to Mrs. Don Cherrington or at the post office. The flu bug has hit several persons of the district, and many have been quite sick from it.

Mr. Rusty Zander will hold a public meeting in the Community Hall on Wednesday, February 24th, at 8:00 p.m. Main topic of the evening will be a discussion of the proposed high school situation for the coming year.

The next bingo here will be held on Thursday, February 25th at 8:00 p.m. Jackpot will be over \$200.00. Mr. and Mrs. Ralph Telford motored to Calgary for the weekend to visit with

their daughter and son-in-law. The annual cemetery meeting was held on February 12th. Raymond and Diane Tufty and Syb and Don Peden were at the Romano Supper and dance Saturday evening.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending February 13, 1971 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	6700	4500	2200	5000	150
Last week	4912	3263	1649	3984	657
Same week (1970)	5932	4076	1856	2652	554

SUMMARY

With more seasonal and spring-like weather prevailing, receipts of cattle and calves were sharply higher. Offerings continue to be approximately 75% replacement classes of cattle and calves. Slaughter trade was moderately active throughout the week. An uneven supply of top quality killing steers saw prices range from 50 cents higher to 50 lower. There was little change in the butcher heifer trade. Butcher cows were more plentiful and sold under an easier undertone to 50 lower on all grades in the closing rounds. Bulls unchanged for the week. Veal calves scarce and steady.

SLAUGHTER CATTLE AND CALVES

Choice clean handyweight butcher steers sold to 32.50 at mid-week with the odd sale higher but

were under pressure to a full 50 lower at sales to 32.00 as the week closed. Heavy and taggy kinds were receiving the usual discounts of 50 - 1.00. Butcher heifers were generally unchanged throughout. Good butcher cows sold mostly in the 19.00 - 19.50 range as the week closed, there was the odd sale to 20.00 for extra good conditioned fleshy kinds. Bulls held steady with sales to 25.00 during the week. Veal and butcher calves unchanged. Light veal very scarce, odd sale over 49.

REPLACEMENT CATTLE AND CALVES

Replacement trade was generally active throughout with a few lots selling high in quotations. 50 head of steers averaging 800 lbs. sold at 34.40. There was a good demand for heavier green feeder cattle. Stock calves sold readily at prevailing quotations. SHIPMENTS

Last week's shipments off the Edmonton Stockyards were: East, 28 slaughter, 567 feeders. Feeders to southern Alberta areas -- 1170 cattle and calves.

CLOSING QUOTATIONS SLAUGHTER CATTLE

Steers: choice 31.50 - 32, good 31 - 31.50, medium 28 - 30.

Heifers: choice 28.75 - 29.50, good 28 - 28.75, medium 26 - 27.50.

Livestock Feed Seems Adequate

Will livestock feed supplies in Alberta last for the rest of the winter? According to Hugh Bryce agricultural statistician with the provincial economics division, present supplies of forage and feed grains should be adequate, if the rest of the winter is relatively mild.

However, if we get below zero temperatures, more snow, and a late spring, shortages will develop in some areas of the province, he says. Also, if the weather between now and the spring is severe, we could have problems transporting feed to individual farms and between areas with surplus feed and those which are short.

A recent survey of the Alberta department of agriculture's correspondents in various parts of the province indicate that most areas still have adequate, or more than adequate, supplies of forage and feed grains. However, straw supplies for feed and bedding are lower than normal, and there are already shortages in some areas, particularly in the south.

This straw shortage appears to have resulted from a combination of circumstances. They include the greatly reduced wheat acreage last year, the fact that less straw was baled last fall and the

severe winter weather which increased the amount of bedding used.

Mr. Bryce reports that the large feedlots are being hardest hit by the straw shortage. Normally, they draw on local supplies for their requirements, but this year straw is reported to be moving into southern Alberta from points in the central part of the province. In some instances wood shavings are being substituted for straw.

So far livestock feed prices, says Mr. Bryce, have not been abnormally high. Feed mill and feedlot operators have been buying barley for 75¢ a bushel. While the price of good quality baled hay has been quite variable, most sales have been in the \$20 to \$25 per ton range, with a large percentage of the transactions being closer to the \$20 figure.

Baled straw has been selling at prices averaging between \$10 and \$15 a ton with the average price in the south of the province being about \$3 a ton higher than prices in the rest of the province.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

We welcome to our staff, Miss Angela Wood who has taken over Mrs. Lane's grade two class. Miss Wood took her education in England. She taught in Warwickshire for two years before deciding to come to Canada. It is interesting to note that there she taught in a 2-room school with only 13 pupils in her class. After coming to Canada she taught in Saskatchewan for one year. Miss Wood is a dog-lover, enjoys dress-making, stamp-collecting, badminton and travelling.

Convention is over for another year. It is amazing how many people want to know what we do at conventions. This year 4,000 teachers from 10 counties met in the Macdonald Hotel and Chateau Lacombe. The Convention opened officially on Wednesday evening, but many teachers came on Thursday morning. The Convention Program Committee works out a varied program, so that at any one time a teacher has a choice of ten different meetings to go to. All grade and subject areas are covered. This year there were at least 82 speakers and panelists. They were from many fields of learning, but all were vitally interested in education.

Of special interest was Mrs. Marilyn Boles (teacher aide) contribution to a panel discussion entitled, Role of the Teacher Aide in the School Environment. This particular discussion was very well received by the audience.

As well, seven tours to various centers of interest to teachers were available. There was an excellent book display, to help teachers order new publications. A musical program with three bands in attendance added to the interest.

Many teachers take advantage of convention time for needed eye checks, shopping etc. And of course socializing, whether over a coffee or in the hospitality room, is also on everyone's program.

Family Night At Tomahawk

A family entertainment night is to be held at the Tomahawk skating rink on March 13th at 7:30 p.m. There will be events for every member of the family. Come out and support your community and enjoy yourself at the same time.

A knitting and rug making demonstration was held at the recreation centre on February 9th, which was very interesting and informative. There were a good number of ladies out. We would like to thank Mrs. Kay Hamilton for coming out all the way from Edmonton.

Get well wishes to Mrs. Hanna Schadeck who is a patient in the Drayton Valley Hospital.

Recreation classes are starting again this week in Tomahawk. If you are interested and don't know the time or place please contact Evelyn Lukaniuk.

KEEPPHILLS

The flu seems to have struck most homes in the area and is on its way out. But a few children are still unable to attend school.

Laura and Eddie Bacon visited with George and Betty Strassburger in the Stony Plain area on Sunday.

Dave, Brenda and Glenn Moonen from Spruce Grove spent the weekend with Brenda's parents, Mr. and Mrs. Wayne Clark in Highvale, and visited relatives here on Sunday.

Neil Raymond of Accurate Optical spent two days last week at Drayton Valley fitting glasses for a company of men.

The warm weather recently has caused many roofs to be cleaned of ice and snow where it caused water to back up under the shingles and find a way through into the house.

Mabel Bryant has been visiting Mr. and Mrs. Dalton in Stony Plain.

IMPORTANT NOTICE

The School Committee of the County of Parkland No. 31 will hold another information meeting regarding the proposed Tuition Agreement with the Yellowhead School Division No. 12, which would enable the high school students from the north west corner of the County to attend the High School in Evansburg.

The purpose of this meeting is to give the public information regarding the proposed school, courses to be offered, terms of agreement, etc. Officials of both school jurisdictions will be present to answer questions and discuss any aspects pertinent to this matter.

This meeting will be held in the Moon Lake Hall on Wednesday, February 24th at 8:00 p.m.

All interested persons are cordially invited to attend.

- Large washtub washes up to 16 lbs. of heavy fabrics

Tough family loads or just a handful of leftovers, let this washer take the hard work out of laundering. Designed to give just the right care to any kind of washable — set the selector buttons, turn the dial to suit the fabric being laundered — including Perma Press. 1-yr. basic warranty on parts and labor, additional year on parts only, additional 3-yrs. on transmission parts. 7982

Dryer Caters to Everything Dryable

- High speed and delicate settings meet all fabric requirements
- Air fluff selection gives gentle, no-heat tumbling
- Timed cycle allows normal selection of drying time
- Large lint trap filters lint from clothes

Just set the controls and your clothes come out of this dryer all soft and fluffy, stay new and fresh-looking longer. Special Perma Press cycle tumbles, fluffs, cools wrinkles out of garments. Four-way exhaust venting. 1-yr. basic warranty on parts and labor.
